Dear Cresswell Wanderers Football Club,

On behalf of McDonald's, I am delighted to congratulate you on your 25<sup>th</sup> anniversary of serving the local community through your commitment to the development of grass roots football.

Your dedication to the development of boys and girls football in the West Midlands has also been reflected in your Charter Club status, again another sign of the high standards you have set and achieved.

As you know McDonald's is The FA's Official Community Partner. Through our partnership I am proud to say that we have reached the half way point in our target to create 8,000 new community coaches in England by 2006.

As a result, over 4,000 new coaches are encouraging children to get active by providing millions of hours of free coaching in clubs and local communities all over the country.

Giving kids the opportunity to participate in the national game is why we are involved in football in the UK.

I wish you all the best for the future.

Best wishes,
